

ShopWave Return & Refund Policy

Effective 1 April 2025 · Version 3.2 · Applies to shopwave.in

Eligibility

Most items are eligible for return within 7 days of delivery. Items must be unused, in original packaging, with all tags and accessories. Perishable goods, intimate apparel, downloadable software, and personalised products are not eligible.

How to initiate a return

Open your order in the Orders section and tap 'Return'. Pick a reason, choose pickup or self-ship, and confirm the address. Most pin codes qualify for free reverse pickup; if not, ship the package via India Post and we will reimburse postage up to ₹150 with the original receipt.

Refund timelines

Refunds are initiated within 24 hours of the returned item passing quality check. Once initiated, money typically reflects in 3–5 business days for UPI / wallet and 5–7 business days for card or net banking.

Damaged or wrong items

If you receive a damaged, defective, or wrong item, raise a return within 48 hours of delivery — we will ship a replacement at no cost, or issue a full refund including shipping.

Exchanges

Size / colour exchanges are available on fashion items where the alternate variant is in stock. The exchange is processed as a return + new shipment; you will not be charged twice.

Cancellations

Orders can be cancelled free of charge until they are picked by the courier. After dispatch, please initiate a return once the item is delivered.
